

Instructions on How to Purchase Items at Nonesuch Café

The Nonesuch Café is open weekdays in the Rivers School Campus Center, just off the Kraft Dining Hall. It provides snacks and drinks for sale to Rivers students, faculty, and staff.

RSC faculty can purchase items by creating an account at the MyKidsSpending website. You must fund your account online prior to going to the café. To do this, you must first get an account number. Please contact Lindsey in the RSC office to obtain this account number if interested.

Once you have an account number, go to www.mykidsspending.com and click on “Create Account or Add student.” After creating an account and adding funds to it (credit card or electronic check), you can go to the café and purchase items by giving the attendant your name. You won’t need to keep your account number with you when purchasing items. As you purchase items, the cost of these items will be deducted from your balance at MyKidsSpending.

Here’s the catch: Please note that MyKidsSpending will apply a Convenience charge of \$0.75 plus 1% of the amount deposited for electronic checks and a 4% convenience charge for credit card deposits. The minimum credit card convenience charge is \$3.00. No matter what method you use, there is a minimum deposit amount of \$25.00.

If you have any questions, please contact Lindsey at l.robb@rivers.org.
